

How to Create a Magical Relationship
WINNER of the 2007 Nautilus Book Award
in the category of Relationships / Men & Women's Issues

After reaching best seller status on Amazon.com and being translated into German within the first year of its release, *How to Create a Magical Relationship* was announced as a winner of the Nautilus Book Award for Relationships / Men & Women's Issues. The book was also a Notable Winner of the Eric Hoffer Award for Health/Self-Help and a Finalist in the *Foreword* magazine Book of the Year Award.

The Nautilus is a prestigious award that recognizes distinguished authors and titles in the areas of spiritual growth, global peace and creativity. Ariel & Shya Kane are proud to have their work highlighted among other notable titles such as *The Secret* and Deepak Chopra's book about pregnancy and childbirth.

The Nautilus Award judges offered the following commentary on this book:

“This thoughtful book is a profound journey into the world of relationships, both their pitfalls and their potential. It is filled with simple but powerful principles demonstrating how the foundations of a magical relationship can be created, and reminds us that relationships and the magic they contain are in constant movement—both are renewable resources that must be cared for and nurtured moment to moment.”

Award-winners were announced at Book Expo America in New York City, June 2007, as well as in *Evolve!* magazine, a publication of New Leaf distribution.
